Dear Congregation and Friends of Aberlour Parish Church

I am so thrilled to say I will be staying with you all for at least the next few months while decisions are made by other churches to join in union.

What is Union? I ask, as having conducted a few weddings, the emphasis is always on the Union of HOLY matrimony. Union, a word described in the dictionary as:- the act or the state of being joined together. Breathing exercises are designed to help forge a union of body, mind and spirit. Think about that one ? A union to enhance God's work can only be for the enhancement of his kingdom.

As a divorcee, I am far from being an advocate for the union of marriage! But I have met couples who have been together for more than 60 years and asked them, "What's your secret?" Sometimes they look at each other and say they never go to bed on an argument or we value each other's opinion. During his ministry Jesus valued everyone's opinion; all men and women were equal in his eyes.

Congratulations Aberlour for ensuring you reflect that attitude in being so welcoming of everyone, even animals. The church is like a family home where a cup of tea and a biscuit is always welcome.

The live@five concerts over the summer months have been a joy; welcoming people from far and near, as well as raising money for church funds. It would take a whole letter to thank everyone who beavers away in the background for events, services and the general running and upkeep of the church. Thank you to all of you.

So what are we looking forward to? Yes, the Harvest Thanksgiving service, Remembrance, and then I am not going to say the C word yet parents, but we do have to plan ahead and as an inclusive congregation I would value anyone's opinion on what you would like included at church?

Enjoy the last of the summer as we come into the autumn months; take a trip to the Glebe and see what autumn veggies are available; and I look forward to your ideas and feed back on services.

May God keep you all in good health, good humour and know that God loves us all as his children.
Love and peace

Sonia (Rev Sonia Palmer)

Live@Five in Aberlour Parish Church

By the time you receive the autumn edition of Kirk News the final concert in the Live@Five series will have taken place. On each Sunday throughout July and August audiences enjoyed an amazing variety of performances from a range of exceptionally talented performers. The concerts were well attended and raised funds for Aberlour Parish Church. We are grateful to all those who attended and also those involved in performing, organising and catering for each of the concerts. It really was a fantastic opportunity to experience live music of the highest standard.

Try Orienteering at Alice Littler Park, Aberlour

Moravian Orienteers are pleased to announce that we have established a couple of fun orienteering courses at the Alice Littler Park. The start is at the entrance to the Glebe Garden. This initiative is supported by Moray Council, Aberlour Parish Church and the Glebe Garden. Marker posts are usually on obvious features such as path junctions and fence corners. Your challenge is to find these controls, following a route drawn on the map. Navigation around a course is great fun for all ages - you can run or walk between posts from the start to the finish. Maps are available to download from the club website (https://mor.scot/node/511) where further information can be found. Paper copies of the maps will shortly be available to pick up at the entrance to the Glebe Garden.

Health Walks Aberlour

We have been enjoying walking on Tuesday afternoons and Thursday evenings over spring and summer and would love to encourage more people to join us. Our afternoon walks run throughout the year and the evening walks will continue until the end of October. We are hoping to have a regular morning walk over winter so keep an eye out for notices around the village or keep up to date with our Facebook page - Aberlour Health Walks. Information about all the local health walks can be found through Walk Moray and the contact there is Louise.shepherd@nhs.scot

Health Walks are a great way to get out and meet other people while getting a bit of gentle exercise and some fresh air. We are so lucky to have a variety of walks around the village and there is always something different to see and chat about. We are delighted to have 5 new volunteers available to help with leading walks now, so whatever your mobility level we will be able to create a route that is suitable for you. Our walks are Easy, Accessible, Safe and Enjoyable - never longer than an hour and can be shortened to suit different abilities. For more information come along to the War Memorial at the Square any Tuesday at 2pm, or Thursday at 7pm. Alternatively you can message us through Facebook or contact Louise at Walk Moray.

BUILDING THE FUTURE OF ABERLOUR TENNIS CLUB

Aberlour Glebe Garden

growing together

What a busy and fruitful summer we've had so far. A huge thanks to our dedicated band of volunteers, who rack up about 400+ "people" hours / month to develop and maintain our garden, and ensure there is an abundant supply of produce. A special thanks to the League of Friends of Fleming Hospital for donating a new bench, and for the four recent donations of fruit trees.

We were recently turned down for funding for a scythe and two hives plus kit. The good news is that the next day we received three hives plus accessories, 2 scythes and a hedge trimmer. What a generous community Aberlour is! Thanks for your donations of time, goods and cash – the garden wouldn't be possible without you.

So what next? In early August, Moray Council Planning Dept granted planning permission for the next stage of our development, which includes: our new gate (already installed), a second polycarbonate, second metal shed, re-erection of old shed from the grazing area, pergola, solar power and internal fence with pergolas. During the process it was confirmed we did not require planning permission for the hives, or for extending our wheelchair accessible path. Having passed the planning hurdle, our focus now turns to securing funding to develop all of these items.

Before the end of 2026 we hope to complete the internal fence with pergolas (which will provide an internal wind break, and support for fruit cordon trees and flowers), and re-erecting the old shed – both previously funded. We are actively seeking funding for the solar power and welcome any offers for assistance with the other items. Completion of the wheelchair accessible path would allow us to complete on our 2026 accessibility aim.

Emma recently organised a very successful nursery/primary "Scavenger Hunt", which we hope to run for older primary age children. Coming up in the autumn will be a Glebe Garden tasting session, and the return of the successful tattie boggle and pumpkin carving events. At the end of August we host a wildflower workshop and scything workshop. Finally, we are seeking to establish a small group to develop (springtime) and look after our three hives – if you are interested, please drop us a note.

Our focus has always been on developing local partnerships – with schools, local businesses and organisations. If you want to join our expanding team of volunteers, or partner with us, pop in and have a chat or contact us on: info@aberlourglebe.org

SCIO CRAIGELLACHIE VILLAGE COUNCIL SC O18399

As mentioned in previous reports, we continue to raise the issue of flooding in the village.

Thanks to everyone who planted and watered the summer bedding displays around the village this year. The support of volunteers is much appreciated. While the hot weather caused the plants some stress this year and displays were not as vibrant as usual, it was nice to have some colour around the village.

Craigellachie Village Council was delighted to be chosen as the charity to benefit from this year's Spirit of Speyside Whisky Festival Opening Dinner. The guests at the Opening Dinner raised £6,390 on the night, and Craigellachie Distillery donated the proceeds from their events during the festival, bringing the grand total raised to an incredible **£16,171.58**.

Due to the overwhelming generosity of Craigellachie Distillery, Dewars, Spirit of Speyside Whisky Festival and their guests, we were able to employ a contractor to replace the dilapidated chain link fencing around the tennis courts and replace the tennis net supports. Given the cost of these works was over £23,000, the support we received enabled us to complete this project far earlier than anticipated.

As part of our Resilience Planning for the village during possible extreme winter weather and /or electric power cuts, we hope to purchase a petrol generator to support the community. This should enable phones to be charged and kettle to be boiled to fill flasks. When required for use, the generator will be located outside the village hall with cables running in through a window.

We have plans for more improvements to the village hall during the course of the year. The small rooms in the hall are scheduled to be painted, and the rear hallway, which is currently held together with duct tape, will be refurbished. Also on the wish list for improvements are the entrance steps from the road to the village hall.

Advance notice of our AGM: the Craigellachie Village Council AGM will be held on Thursday 12 November 2026 at 7.30pm in the village hall. Please consider coming along and helping us to ensure we have community facilities and events.

The Rothes Way

And here we have it, The Rothes Way is now complete! It's taken six years, but it is fantastic to now have a sustainable travel route to Craigellachie and our other Speyside neighbours and we look forward to welcoming them and tourists to Rothes.

So, now we can sit back with our feet up...eh, maybe not! On Tuesday June 30th we held an Extraordinary General Meeting and gained approval from the RWA members to adopt a new project of identifying a route along the old railway line between Rothes and Elgin.

We envisage this route will be suitable for walkers, with the option to rough cycle but there will be no upgrading of the surface, unless repairs are needed for safety reasons. (Think Dava Way) The existing maintenance team would not be involved with maintenance, and we hope the more it is walked and cycled, the more established the route will become.

We will now start the process of identifying landowners and gaining approval to cross their land, and erecting way markers. We will keep you posted on our progress. However, this project will be kept totally separate from the original Rothes Way and any fundraising will remain for the multi-use path to Craigellachie and help towards maintenance costs.

Ronnie & his team still meet on a Tuesday morning to undertake any path maintenance, so if anyone is interested in lending a hand now and then, please get in touch.

Aberlour Community Association

SCIO Registered Number: SC009817

The **Aberlour Community Association** is looking for volunteers to help support the activities and events that make our village such a welcoming place to live.

Whether you can spare a few hours occasionally, or would like to become more involved, we'd love to hear from you. Volunteers help in many different ways; from assisting at community events and fundraising activities to welcoming visitors, supporting projects, and helping behind the scenes. Whatever your skills or experience, there's a role where you can make a difference.

Volunteering is a great way to meet new people, learn new skills, and give something back to the community. It's also a chance to be part of a friendly team working together to improve facilities, organise local events, and create opportunities for people of all ages to come together.

No previous experience is needed—just enthusiasm, a willingness to help, and a little of your time. We'll provide support and help you find a role that suits your interests and availability.

Every volunteer plays an important part in helping the Association continue its work. By getting involved, you'll be helping to strengthen our community and ensure Aberlour remains a vibrant place for everyone to enjoy.

If you're interested in volunteering or would like to find out more, please get in touch with the Aberlour Community Association. We'd be delighted to welcome you to the team.

Together, we can make a real difference in Aberlour.
